

## KIDZONE Children's Ministry Philosophy

Assist families in nurturing Christian faith in children by providing family centered, kid focused, user friendly, Biblically-based, opportunities along with creative discipleship, worship, praise and service that in God's timing will lead a child to God through Christ Jesus.

The calling is sure; the challenge is big; the vision is clear; the desire is strong; the influence is eternal; the impact is critical; the purpose is unmistakable. Our direction is forward; our heart is genuine; our strength is supernatural; our reward is promised and our God is real.

Our calling is to reach children for God. It is too serious to be taken lightly, too urgent to be postponed, too vital to be ignored, too relevant to be overlooked, too significant to be trivialized, too eternal to be fleeting and too passionate to be quenched.

We minister to the largest mission field in the world.  
We minister to children.
